## Rugged xCase with Scanner for Surface

MobileDemand's ultra rugged xCase with fully integrated leading class Honeywell® barcode scanner offers greater range and quick scan speeds. Meet the demands of fast paced industries with unparalleled protection and productivity – designed exclusively for Surface.

### PROTECTION

The xCase is engineered for extreme durability. It must endure rigorous military drop testing in order to pass our stringent, rugged standards. Ingenious shock absorbing rubber corner bumpers and ridged shell combine to offer unmatched protection in the most demanding environments.

### MOUNTING

Unlimited mounting solutions are made possible with the exclusive snap plate, included with each xCase. Used in conjunction with MobileDemand's patented Quick Release Snap Mount System, mounting to desks, walls, vehicles, forklifts, tripods and so much more is simply a snap!

### COMFORT & CONVENIENCE

Fatigue can become a factor during the workday. Our easy carry briefcase handle and back hand strap allow the device to be held securely and comfortably while ergonomic scan buttons are positioned for a relaxed, comfortable grip. MobileDemand products are designed to provide comfort the mobile workforce needs to remain productive.

### PRODUCTIVITY

Forward thinking modular design is engineered to work with several productivity enhancing tools including shoulder straps, easel, stylus holder, type cover and more. The xCase grows with the needs of its user, expanding its functionality and usefulness.
